FACULTY OF BUSINESS, FINANCE AND HOSPITALITY

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure."

- Colin Powell

Accountants are some of the most highly esteemed professionals whose elite place in society has never been challenged despite the increase in work automation and use of Information Technology.

MAHSA curriculum is designed with inputs from employers, industry experts, and academia, students will learn theories combined with hands-on applications, and practical skills. These knowledge will equip them to become a prefessional in various business functions such as operation, finance, taxation, audit, and so on.
