# OVERVIEW

MAHSA University's Bachelor of Nursing (Hons) Public Health is a highly-skilled programme for students who have obtained their Diploma or Degree in Nursing or equivalent qualifications, and possess Advanced Diploma in Midwifery. A Public Health Nurse is a registered Nurse, Registered Midwife, as well Registered Public Health Nurse, recognized by Nursing and Midwifery Boards Malaysia.

This work-based programme provides training and specific clinical exposures in highly

specialised disciplines of obstetrics and gynecology, the expanded scope of Family Health and Primary Healthcare, ie Maternal & Child Health, Health Sciences, Behavioral Sciences, and Research and Innovation.

Upon completion of the programme students will be registered in the supplementary clause of the Registration for Nurses (Nurses Act 1950) as a Public Health Nurse, endorsed by the Nursing Board Malaysia.

# MAHSA360

At MAHSA University, we provide our students with the opportunity to develop quality skills and understanding that go beyond their field of study which will prepare them for their next leap upon graduation.

MAHSA 360 is our specially designed ecosystem that works to ensure every student is nurtured and supported throughout their student journey.

## MAHSA'S PASSPORT TO SUCCESS

Professional Industry-Driven Education (P.R.I.D.E) is MAHSA University's specially designed education pathway that give students the best of both academic and professional certifications. Students have the opportunity to gain professional skills through various programmes from MAHSA's collaborations with internationally recognised professional bodies. P.R.I.D.E increases the employability rate of our fresh graduates and puts them on par with the rest in the professional world.

### MASTERCLASS

Students of this programme are eligible to gain add-on certification in Masterclasses. There are more than fifty Masterclasses to choose from, and all are designed to further enhance the student's employability, in line with the Industrial Revolution 4.0.

### PROFESSIONAL COURSES

Through MAHSA's collaboration with internationally recognised professional bodies, students will earn certifications that will enhance their professional skills and increases their employability rate.

### MOBILITY PROGRAMME

This is a unique opportunity for students to study abroad for up to one year. This programme lets students experience different cultures and

practices from around the world. Ask us about our university partners in over fifty different countries.
