KPT/JPS (R/345/6/0609) (MQA/FA2537) 07/24

**FACULTY OF MEDICINE,
BIOSCIENCE & NURSING**

“

'We aren't just looking for people with certain certification or degree. We are looking for people with the passion and intrinsic motivation that makes them view their job more than simply a job .'

- Ryan Lilis

”

OVERVIEW

The Bachelor in Hospital Management (Hons) programme is a three-year degree programme to fulfil the needs of prospective employers who seek to employ knowledge and competent administrative executives or managers in various departments in a hospital setting. The healthcare concept in the country has undergone a tremendous change in recent years. People have become increasingly aware of the importance of hospital management and this has led to higher expectations and an increased demand for a high quality of medical care and facilities. A large number of private hospitals and clinics have been increasing all over the country. This increasing number, aligned with the emphasis on quality health care and patient satisfaction, there is a remarkable need for professional qualification in hospital management.
