

BACHELOR OF SCIENCE (HONS) IN HEALTH CARE PRACTICE

JPT/BPP (N/720/6/0119) 10/20

MAHSA
UNIVERSITY

FACULTY OF NURSING AND MIDWIFERY

"It is health that is real wealth and not pieces of gold and silver."

- Mahatma Gandhi

MAHSA University's Bachelor of Science in Health Care Practice (Hons) will focus specifically in preparing Medical Assistant for the current job market which require Degree Level Healthcare Practitioners. This programme has been approved by Department of Higher Education (N/720/6/0119). The programme includes a wide range of subjects that examine scientific, social, economic, ethical and organisational issues in health care which address implications for individual practice and public policy.

The Bachelor of Science in Health Care Practice (Hons) programme fills a gap in the current job market by preparing graduates for the management of the needs and priorities of clinical practice, evidence-informed decision-making, health promotion, illness prevention, current management concepts, leadership, and patient-centred care, as outlined by the Board of Medical Assistant, Malaysia.

MAHSA 360

During their time at MAHSA University, we want to provide all of our students with the opportunity to develop qualities, skills and understanding that go beyond the disciplinary expertise and prepare them for the next steps in their chosen careers.

MAHSA 360 is the ecosystem that works to ensure every single student is nurtured and supported throughout the student journey.
