

# DIPLOMA IN NURSING

KPT/JPS(R/723/4/0141)(MQA/FA9489)08/20

**MAHSA**  
UNIVERSITY

## FACULTY OF NURSING AND MIDWIFERY

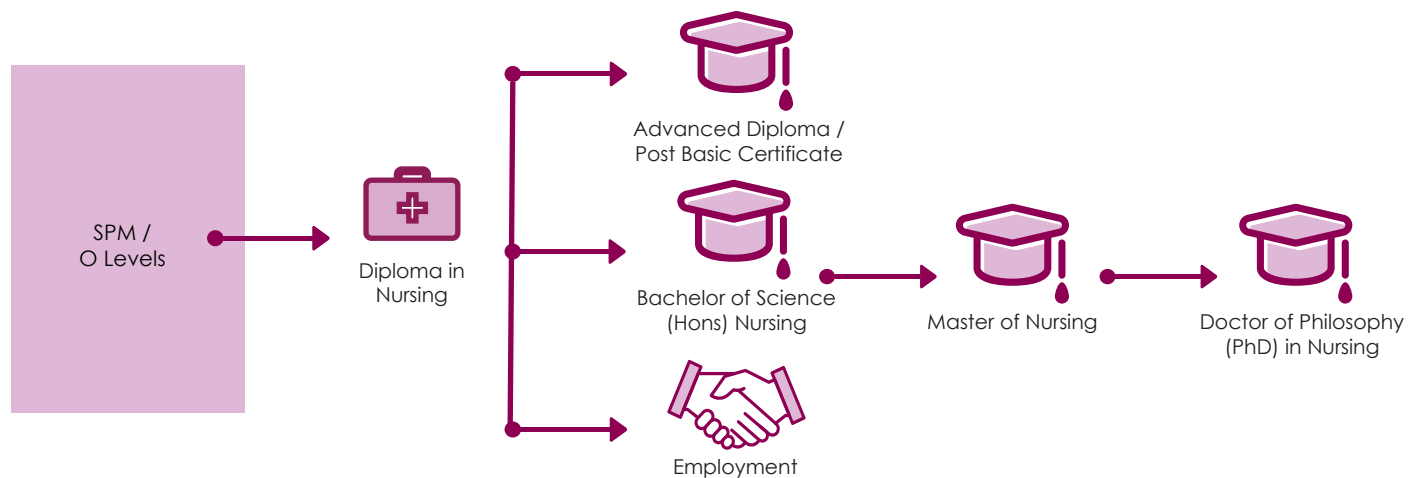

"Nurse: just another word to describe a person strong enough to tolerate anything and soft enough to understand anyone."

Diploma in Nursing programme at MAHSA University combines theoretical learning in classrooms with practical training in simulation ward and skill labs, and cultivates students' know-how in nursing. This programme enables students to provide safe and competent nursing care in various health care settings. In addition, students will attend clinical placements in local hospitals and clinics to gain real-life working experience.

## PROGRESSION PATHWAY

## MAHSA360

During their time at MAHSA University, we want to provide all of our students with the opportunity to develop qualities, skills and understanding that go beyond the disciplinary expertise and prepare them for the next steps in their chosen careers.

MAHSA360 is the ecosystem that works to ensure every single student is nurtured and supported throughout the student journey.
