FACULTY OF
HEALTH SCIENCES,
NURSING, AND
EDUCATION

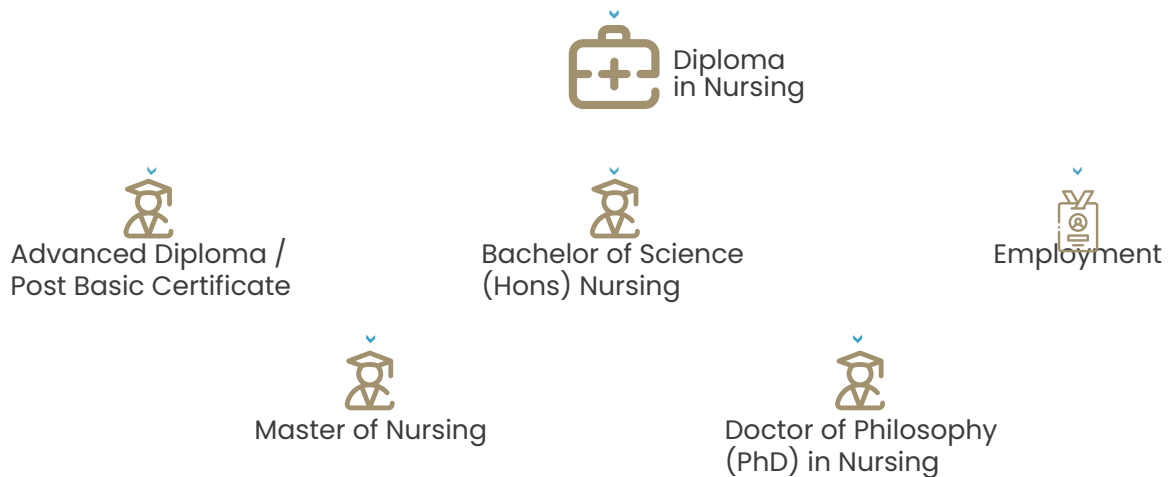

“Nurse: just another word to describe a person strong enough to tolerate anything and soft enough to understand anyone”

OVERVIEW

The Diploma in Nursing programme at MAHSA University combines theoretical learning in classrooms with practical training in the simulation ward and skill labs, and cultivates students' know-how in nursing. This programme enables students to provide safe and competent nursing care in various healthcare settings. In addition, students will attend clinical placements in local hospitals and clinics to gain real-life working experience.
