

MAHSA
UNIVERSITY

DOCTOR IN
**RESTORATIVE
DENTISTRY**

FACULTY OF DENTISTRY

PROGRAMME

Overview

The Doctor in Restorative Dentistry (DrResDent) is a three-year clinical course work programme designed to provide effective integration of knowledge from the fields of prosthodontics, endodontics and periodontics, through interactive learning sessions and clinical training. This will help the students in providing holistic treatment to patients by using the comprehensive knowledge given to them under this programme.

The pre-requisite for this programme is a one-year Master of Orofacial Sciences (with compulsory elective in Restorative Dentistry) or its equivalent. The combination of one-year Master and three years Doctorate, is a specialist training programme, which will enable the graduates to be registered as specialists in Restorative Dentistry under the Malaysian Dental Act 2018.

PROGRAMME

Structure

3 YEARS

- RESEARCH PROJECT
- RESTORATIVE DENTISTRY 1
- RESTORATIVE DENTISTRY 2
