

# MASTERCLASS IN BASIC LIFE SUPPORT

FACULTY OF MEDICINE, BIOSCIENCE AND NURSING  
Accredited by: American Heart Association (AHA)

Recognition &  
Activation of Emergency  
Response System

Immediate High-  
Quality CPR

Rapid  
Defibrillation

Basic & Advanced  
Emergency Medical  
Services

Advanced Life Support &  
Post-Arrest Care

## AHA BASIC LIFE SUPPORT: INSTRUCTOR- LED COURSE

The Basic Life Support (BLS) course train participants to promptly recognise life-threatening emergencies, give high-quality chest compression, deliver appropriate ventilation and provide early use of Automated External Defibrillation (AED). In the instructor-led course, participants will engage in simulated scenarios and learning stations with an AHA BLS instructor to complete BLS practice and skill testing. Participants are required to read the AHA BLS Manual before presenting for the one-day course. Participants also complete a written and a practical examination to pass the course.

## FEATURES

Reflects science and education from 2015 AHA guideline for CPR and ECC  
Instructor-led hands-on class format reinforces skills proficiency  
Emphasis on high-quality CPR including team dynamics classroom activity  
Video-based course with real world scenarios

## CERTIFICATION

Certificate of Completion in Master Class in Basic Life Support  
by MAHSA University
